CALL TRACKING

Telephone Number Port Agreement

This document serves to assist Century Interactive in commencing a successful port process from your existing carrier. We appreciate the opportunity to be your call tracking provider and will continuously strive to exceed your expectations of performance, reliability and customer service.

Please enter the tracking numbers you want ported over, as well as the destination numbers for each:

Tracking Phone Number	Ring-To Phone Number

Please confirm that the following is the correct service address for the phone numbers:

SERVICE ADDRESS:

If the above address is incorrect, the chances of a successful number port diminish significantly, and Century Interactive will ask you for a copy of your most recent phone bill.

I certify that, to the best of my knowledge, my company owns the phone numbers listed above and the address included represents the correct service address.

SIGNATURE: _____ DATE: _____

PRINTED NAME: _____

Please scan and email a signed copy to your contact person at Century Interactive. If you do not have access to a scanner, please send via fax to 1-877-266-6172. **If more space is needed for additional numbers, include those numbers and ring-to's in separate emailed document.**
